**THE MANUFACTURING INSPECTION ON THE DATE 01<sup>st</sup> DECEMBER 2014 WITH  
REPORT No. RFI-1214-PEL0000007-13/A & RFI-1214-PEL0000007-13/B**

**Expiring date 06.04.2018**

*(Providing that the testing basis continues unchanged)*

Notes: (\*) The manufacturer declares that these products are constructed using the same materials, components and processes as the tested models. Technical data, materials and components description are into the indicated test reports. Any changes of the design, materials, components or processing may require the repetition of some of the qualification tests in order to retain type approval. The certification is performed on tested product as complete certification. This certificate is for type approval and based on voluntarily product test. The Manufacturing Inspection is conducted by TÜV INTERCERT on the base of the internal procedures.
