

Product Information

WP 80 Soldering Set with WDH 10T Safety Rest **Part Number: T0052919599**

The set comprises:

WP 80 Soldering Pencil **Part Number: T0052918099**

80 Watt soldering pencil
Short heat-up time
Short tip-to-grip design for work under microscopes
Distance from grip to tip only 45 mm
Easy tip exchange without tools

WDH 10T Safety Rest with Stop + Go Functionality **Part Number: T0051516199**

Special tip life saving functions are automatically activated when you place the soldering iron into the WDH 10T safety rest. This is an easy and effective way for you to increase tip life particularly when using lead free solder. By removing the iron from the rest, the tip temperature is restored immediately to the set working level.
